

Subtest XI. Segmenting Words

MATERIALS: None

CEILING: Stop after examinee misses 3 test items in a row.

FEEDBACK: Give corrective feedback on all practice and ALL test items.

PROMPT: Prompt with "Now say ____ one sound at a time" if examinee forgets to do so.

NOTE: Repeat an item if the examinee mispronounces a word or asks to hear it again.

SCORING: Record correct answers as 1 and incorrect answers as 0. The total raw score for this subtest is the total number of correct test items up to the ceiling.

DIRECTIONS

PRACTICE ITEMS: Say, "Now I am going to say a word. First, I want you to repeat the word, then say it one sound at a time. Say each sound that you hear in the order that you heard it."

a. For example, if I say *me*, you would first repeat the word *me*, then you would say *m-ee*. You try it. Say *me* (pause for answer). Now say *me* one sound at a time."

If correct say, "That's right. You have the idea. Let's try the next one."

If incorrect say, "That's not quite right. To say *me* one sound at a time, you say *m-ee*. Let's try the next one."

Continue correct/incorrect feedback as above. Say, "Let's try a few more."

b. Say *it*. Now say *it* one sound at a time.

Correct Response

ɪt ✓

Now when I tell you to say a word, go ahead and say it, then say the word one sound at a time without my prompting you. Ready? (Prompt the examinee if necessary.)

c. Say *pie*.
